Supporting Information

The department is requesting that the contract with Over the Top be extended to 12/31/2013. In addition, the department is requesting that Over the Top provide service for both north and south districts. Previously, Over the Top only provided service for the south district. They were the 2nd bidder for the north district. The north contract is now available and Over the Top has expressed interest in that work under the same terms and conditions as currently found in their south contract.
